Dear Director Young,

Thank you for the feedback and comments received on January 26, 2022, regarding the December 27, 2021 submission of the First Round report. The Public Buildings Reform Board (“PBRB” or “the Board”) also received written comments from the General Services Administration on Monday, February 7, 2022, that detailed specific open issues for individual properties included in the First Round recommendations. However, the Board no longer has enough members to meet the legislated quorum. Therefore, pursuant to Section 5(b) of Public Law 114-287, the Federal Assets Sale and Transfer Act of 2016, as amended (“FASTA”), the Board is unable to resubmit a revised First Round report.

The Board appreciates the constructive feedback and has thoroughly reviewed and considered these collective comments. We plan to incorporate this feedback and carry forward the First Round recommendations to FASTA’s Second Round.

Also, as required by FASTA, this letter is posted on the PBRB website for the First Round. The Board appreciates OMB’s collaboration and support throughout this process.

Sincerely,
